

Write a Letter:

Enoch walked close to God and was blessed. We can also walk close to God by praying to Him and reading our Bible. Here you can make a list or write a letter to God about things you would like to say to Him or ask Him about. Remember, God is a powerful Spiritual being and talks to us sometimes through the Bible, through nature, through other people, through dreams/visions, or just by having something happen in our lives. There are so many ways God talks back to us!

Dear God,

Sincerely,

(Your Name)
