

Sarai Paper Doll Instructions:

1. Color Sarai and her two different outfits.
2. Cut out Sarai and her outfits (with tabs). You can have an adult help you.
3. To dress Sarai in her outfits, place the dress over Sarai and fold the yellow tabs in half. Fold again behind the Sarai doll to keep her dress secure.
4. You can slip Sarai from underneath the tabs and switch her different outfits!

FUN IDEA:

You can draw your own dresses for your Sarai doll! Just trace your cut-out doll, draw your own dress (remember to include tabs), and use for the doll!
